Batailley 2016: Quality score vs average market price

Batailley 2016 has the best Quality score of the past 20 vintages, but it is also released higher than the market price of any recent vintage, so it is not necessarily an obvious buy for consumers when there will be lots of other great wines to choose from.

“Lifted, sweet and very Pauillac on the nose [...] Pretty sharp on the palate with some overtones of the right bank even though the nose is pure Pauillac. Quite a dramatic play, this wine! Drama in spades.”

“Noble aromas of Havana tobacco and cedar, [...] a classic Pauillac, very well done.”
