Branaire-Ducru 2016: Quality score vs average market price

Whilst 2015 might represent a better buy, compared to 2010 and 2009, which achieve similar Quality scores, 2016 currently represents good value for money.

92-95

Antonio Galloni

“Branaire-Ducru is gorgeous in 2016 [...] arguably the most polished of the Saint-Julien.”

913 2016 Quality

17

Jancis Robinson

17.5-18

Bettane+Desseauve

“Dense wine, very classic in depth and in form [...] might deserve a higher score by the time it's bottled because it seems more complete at its birth than the 2009 and the 2010.”

“Juicy, savoury nose. Fresh and fine-boned. Could only be bordeaux – tant mieux! Silky texture with some energy.”
