Pape Clément 2016: Quality score vs price per bottle (£)

The chart below indicates that 2016 is currently a better buy than both 2009 and 2010, but 2012 represents superior value, achieving a slightly higher Quality score and available at a 5% discount.

Visit the [Pape Clément 2016](#) page to access the interactive chart.

“Very luscious nose with enormous opulence. Then on the palate there is no great sweetness but drying tannins on the finish. [...] Falls away on the end [...].”

“[...] Exudes class and is one of the raciest, silkiest wines I have ever tasted here. The purity and intensity of the flavours is striking [...] Today, it is the wine's balance that is most remarkable.”

“A marvellous texture that plays a role in the remarkable expression of the terroir [...]. Great wine that's more harmonious than the 2015 at its conception.”
