940 2016 Quality

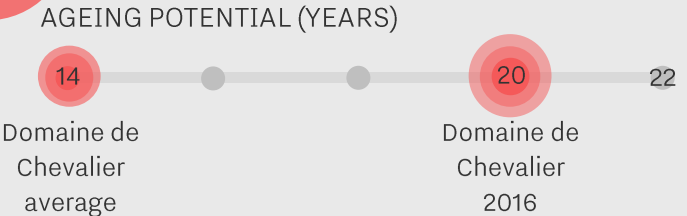

“The 2016 Domaine de Chevalier is a wine of total precision and class. [...] It will be many years before the 2016 is ready to show all of its cards, but it is a brilliant wine in the making.”

“Real life and savour on the (at the moment slightly inky) end. One of the most youthful samples I encountered.”

“Great robe, finished body, racy tannin, between cedarwood and violet, magnificent expression of this cold but very expressive terroir in this type of year.”
