Grand-Puy-Lacoste 2016: Quality score vs price per bottle (£)

The highest release price ever for GPL puts the 2016 above current market prices for 2009 and 2010, but not 2005. Wine Lister’s Founding Members consider GPL one of Bordeaux’s top "rising stars", so the château's momentum and the excellent Quality in 2016 might be enough to support the increase.

“Deep, fleshy and utterly exquisite on the palate, yet light on its feet, the 2016 exudes finesse [...] among the highlights of the vintage. Don't miss it!”

“Classic form, slightly more discreet than that of its neighbors,[...] Very straight tannin and authentic Pauillac.”

“Very ripe and fresh. Pretty glorious expression of the vintage on the nose. Slightly dry finish but really very energetic and may be a fairly good buy [...].”
