Mouton Rothschild 2016: Quality score vs market price (£)

With a similarly huge Quality score, and just one tranche, Mouton's 2016 release price makes it comfortably cheaper than the 2009 and 2010, and the *Place de Bordeaux* expects this to fly off the shelves. 2015 also looks good with a high Quality to price ratio.

Antonio Galloni

“Although it is early, the 2016 Mouton is shaping up to be one of the wines of the vintage.”

“Incredible success and near perfect expression of the terroir [...]. Exemplary extraction of the tannin quality. Unique length and vividness in Médoc at this stage.”

Jancis Robinson

“Very strong style statement. [...]A sort of amalgam of cassis and tar in that very Mouton way but with 21st-century lift and transparency. Quite brave in a way. Bone dry and utterly embryonic compared with most of the 2016s.”
