Pichon Baron 2016: Quality score vs ex-négociant price per bottle (€)

The 2016's Quality score is the highest since 1989, and it is priced accordingly, likely to translate into a £ price that puts it at around the market level of the 2010, and otherwise more expensive than any vintage of this century apart from 2000. Will the high Quality pull it through?

“The 2016 Pichon-Longueville Baron is fabulous. In fact, the 2016 is one of the best recent Pichon-Barons I can remember tasting. [...] Like so many wines in this vintage, the 2016 delivers serious flavor intensity, but with no excess weight.”

“Dense, dramatic, splashy wine with great balance and lift. Lots of energy and masses of old Cab in here. Really snazzy. Long.”
