Kirwan 2017: Quality score vs average market price (£)

Kirwan has released its 2017 at the current market price of the 2016. On the one hand, it has a better Quality score than the higher-priced 2008, 2009, and 2010, but on the other hand the higher quality 2015 and 2016 are available for the same price or less.

760 2017 Quality

“Darkly fragrant. Dry, chalky texture but smooth and in harmony if lacking a spark on the mid palate. Juicy finish.”

16.5
Michel
Bettane
(B+D)

“One of the most complete wines of the last few vintages, reflecting the quality of the new vat room, as well as the quest for a greater vinosity in the style of the wine, without any over-extraction. Attractive Margaux.”
