Lagrange 2017: Quality score vs average market price (£)

Despite a severe reduction in volume due to frost (-35%), Lagrange 2017’s release at close to 2016 market price (and well above the five preceding vintages) might struggle to spark interest.

Antonio Galloni (Vinous)

“A little charry on the palate but nicely balanced by the freshness. Moreish and mouth-watering, tannins already supple with a hint of that char on the finish.”

Julia Harding (JR.com)

“Wonderfully pliant, with creamy tannins and more than enough juiciness to make it extremely appealing, even in the early going.”
