Calon Ségur 2017: Quality score vs average market price (£)

Calon Ségur 2017 matches its 2015 for quality and is released at an eminently reasonable price, below the market price of all recent vintages, even 2013. This price will go down a storm with trade and consumers alike. A definite buy.

Michel Bettane (B+D)

“One of the peaks of the vintage in the Médoc, with a remarkably harmonious body, refined texture [...]”

“Great ageing potential but also accessible. [...] So finely balanced.”
