Clos Fournet 2017: Quality score vs average market price (£)

The 2017's release price places it into the market 9% below the current market value of the 2016, which achieved Clos Fournet's best ever Quality score. However, in a recurrent trend in this campaign, it puts it above the current value of the highly-rated 2014 and alongside the 2015.

“Clos Fournet is one of the successes of the vintage, with a peppery tension and perfectly open fruit. [...]. By around 2030, it will develop the most beautiful truffled notes. Savour this and let yourself be transported by it.”

17-17.5
Thierry Desseauve (B+D)

“The palate is medium-bodied with supple tannin, more rounded in texture than its peers. There is impressive volume towards the finish that is uncommon in this vintage.”
