Cos d'Estournel 2017: Quality score vs average market price (£)

The 2017 release price puts it comfortably below the current market value of the 2016, but at the same level as the higher-rated 2015. Yet again in this year's campaign the 2014 looks like good value.

Our Founding Members voted Cos d'Estournel #11 most successful wine of the 2016 en primeur campaign

17.5

926 2017 Quality

“ [...] remarkably silky, with clarity, precision and length but without excess richness. Deep and long. Amazing balance already. ”

“ [...] This is simply a very classy wine in the making and typical of the more recent sophisticated style pursued by the property in recent years. ”
