Haut-Brion 2017: Quality score vs average market price (£)

Haut-Brion's ex-négociant release price is down 17% on last year, which will put the likely resulting release price below the 2016 and significantly under the higher-scoring 2015. However, the 2014, 2012, and 2008 all look appealing in comparison.

Antonio Galloni (Vinous)

945 2017 Quality

“The 2017 Haut-Brion is intriguing. [...] the phenomenally long finish is a thing of real beauty.”

Haut-Brion was awarded a confidence rating of 9/10 by Wine Lister's Founding Members, in keeping with last year's score.
