Léoville Las Cases 2017: Quality score average market price (£)

Léoville Las Cases 2017 achieves the second highest Quality score of all Left Bank reds. Its release price of €144 ex-négociant puts the 2017 UK price comfortably below the 2016 vintage, but above all recent back vintages except 2009 and 2010. As is becoming a pattern of the 2017 campaign, the higher scoring, lower priced 2014 and in this case, 2015, look appealing in comparison.
