Lafon-Rochet 2017: Quality score vs average market price (£)

Lafon-Rochet is a great value wine, and has released its 2017 well below the market price for 2016, but above the higher-scoring 2015 and 2014, making them look potentially better buys right now.

“Very well defined and more sophisticated than I have detected in recent vintages. [...] There is a slightly grainy texture with a sustained peppery finish, completing a crisp and vivacious Lafon-Rochet that should please many wine-lovers.”

“Smooth, layered, very fine texture. Not hugely fruity but balanced with a long, elegant aftertaste [...]”

“Soft but without dilution, harmonious, quite long. A stylish wine with a certain future, and an attractive price-to-quality ratio.”
