Le Petit Mouton 2017: Quality score vs average market price (£)

Whilst Petit Mouton 2017's release price puts it above the current value of the higher-rated 2016, it places it well below that of every other recent vintage on the market. This is due to Petit Mouton's excellent post-release price performance - the 2017's ex-négociant release price is in fact above that of every other recent vintage.

“Pure minerally cassis, very refined and elegant on the nose. Succulent and pure in Cabernet Sauvignon character and the most beautifully fine tannin texture. Very good.”

“The 2017 Le Petit-Mouton is dense, powerful and luscious. Even with all of its richness, the Petit Mouton possesses terrific structural underpinnings that give the wine its shape and overall persistence.”

7/10

Wine Lister's Founding Members have rated the trade's confidence in Petit Mouton at 7/10 in a recent survey.
