### Les Carmes Haut-Brion 2017: Quality score vs average market price (£)

Les Carmes Haut-Brion is one of the only red wines whose 2017 matches its 2016 in quality terms, making it the property's joint best-ever. The 2017 release price puts it into the market at a 40% discount to the current market value of the 2016, and, crucially, below the 2014 too, making it look a very attractive proposition en primeur.
