Pichon Comtesse de Lalande 2017: Quality score vs average market price (£)

Pichon Comtesse has a good track record *en primeur* (it was the trade's 8th most successful release last year) thanks to well-judged pricing. Coming down by more than 20% on 2016 shows admirable intent, putting it nicely below market prices for the great quartet of 2009, 2010, 2015, and 2016.
