### Vieux Château Certan 2017: Quality score vs average market price (£)

The second-best red wine of the vintage, Vieux Château Certan 2017's release price places it into the market below the current value of the 2009, 2010, 2015, and 2016. The sought-after Pomerol will likely see demand at this level, but the similarly-rated 2012 and 2014 are available at a significant discount.

“It is a precocious vintage from old vines, resulting in a wine of tension, made with great cabernets, a restrained power and a great silky creaminess with a mineral finish.”

“Great freshness. Has impressive depth without weight. Very fine shape, great refinement even now.”
